THE SIMPLE WAY TO BUY AND SELL IN SPAIN

This week sees the launch of a brand new service that looks set to take the hassle out of buying and selling property abroad. Arranging and managing the legal process at a distance from the UK can, perhaps unsurprisingly, be fraught with difficulties.

ClicknMove is an online service for people who are looking for a solicitor to act on the sale or purchase of a property in England, Wales or when purchasing property abroad. Through their dedicated website, clicknmove.co.uk, specialist Spanish based solicitors will have the opportunity to bid for clients' conveyancing work.

Visitors to the ClicknMove website will be asked to register details of the property they wish to sell or purchase. The process is quick and simple and completely free of charge. A panel of registered solicitors will then be able to bid online for the work and when the set 'bidding window' has closed, the visitor will decide which bid to accept.

The new company is the brainchild of solicitors and business partners, David Jones and David Pett who have 40 years combined experience in the provision of legal services and running their own practice.

ClicknMove Director, David Pett says, "Deciding on which Spanish property to buy is the enjoyable, and unfortunately, often the easy part. Then comes the legal process which can be a nightmare to organise and manage from the UK. At ClicknMove, we will put you in touch with fully qualified and reputable solicitors based in Spain who are experienced in conveyancing work for UK clients buying locally. Simply by registering with ClicknMove, you will receive competitive quotes from a number of registered solicitors, who will bid to win your business."

Visitors to the site will be able to choose a 'bid' at any time during the pre-determined bid window, or, if the client prefers to opt out of the bidding process, they will also be able to contact a panel solicitor directly through the ClicknMove website.

Once a bid has been accepted, an email will be sent out to the registered visitor with all the contact details of the successful solicitor.

David adds, "All panel members will be vetted so as to ensure only well-established and reputable solicitors become panel members. Maintaining the professionalism and integrity of the site is paramount to its continued success."
